

Our talented LTAS Performance Group entertained the Ambassador of the United States of America to the Republic of Cyprus last night, 2nd December 2016, at L'ONDA hotel.

The evening was held to honour the Ambassador's work in US and EU relations. Kathleen Doherty was thrilled with the performance the children gave, performing extracts from the hit musical 'MATILDA'.

She even joined the children onstage for a group photo with their scooters, congratulated them and gave them hope and motivation to pursue their dreams!

We thank her for her kind words and support.
